

Hon. P. M. General:

Washington D.C. - On the 4<sup>th</sup> day of April 1864

I mailed at Wakesville, a station on the D. & Maryland R.R., a letter containing a \$50 green back, the letter was addressed as follows; Mrs. A. F. Brann,

This letter never reached its destination. If it should have mis-carried & turned up in the dead letter office, I am afraid my name is not written plainly enough to be deciphered. I write it here with the abbreviations G. B. Brann

I am a major The 12<sup>th</sup> Regulars - & my O. address is either at Dayton Ohio or with my regt. & can be ascertained on application to the Adjutant General
